

McNESSIE OF THE LOCH

(excerpt)

Who's the creature of the loch?

*She prowls by day and hunts by night
McSweens and Stewards take to flight!
Young Scoots virtue in peril tonight
McNessie's need – a ravenous might
Her fishy stink brings fearsome fright
Another Steward off the roll
Nessie's taken this week's toll*

Who's the creature of the loch?

*Over the glen come hither ye men
Highland charge check banshee whim
McSweens and Stewards battle the sin
Nessie slay all but just two men ...
A Steward n' McSween the cornered hens
O monster spare us thy withering glare
She smacks the Steward and grabs his hair
McSween counters with shillelagh whack
Beer stein rocks her Glengarry cap
McNessie falls to darkest depths*
